COCKATOO HIDEAWAY

Enjoy a well deserved break in the Hinterland and escape to Cockatoo Hideaway. A secluded 2 bedroom cottage nestled in 10 acres of quiet bush land near Lake Baroon and only a short 8 minute drive from Montville's main street.

As you walk through the front door into the open plan lounge, new kitchen and dining area you find the cottage is modern and clean with new furnishings. From there you'll enter into the first bedroom (queen bed) where you'll find access to the second bedroom (queen bed) and also the new bathroom.

The cottage is a separate dwelling located near the main house (which is vacant during your stay) allowing guests access to the large deck and BBQ area to cook up a storm or just enjoy the serenity of country life as you marvel at the abundance of wildlife in the area.

Why not explore one of the great bush walks, the national park which the property adjoins or simply head into Montville and dine at one of the many cafes in town. Its the perfect place for a getaway for a family or a couple looking for a quiet and very private place to relax.
