SOHUM RETREAT

SoHum Retreat... Secluded, peaceful, relaxing and only 5-minutes to the heart of Montville.

Originating from Sanskrit, SoHum is literally translated to "I am That". Its mantra evokes contemplation and reflection of who we are – our connection to, or being at one with, the universe. Take some time away from life's chaos, quiet the mind and relax the body and reconnect with loved ones at this gorgeous 1920s original farmhouse.

Set amongst gardens and an open paddock, this property offers a secluded and modern country retreat with polished hardwood floors and timeless furniture. The décor is inspired by reuse, fair trade and community cooperative principles – with a number of local and internationally handcrafted pieces creating a worldly fusion to the traditional farmhouse setting.

It's the perfect spot to rejuvenate, enjoy a romantic weekend away, gather the family or prepare for a wedding.

The property features 3 bedrooms with 2 king and 1 double bed (and an ensuite to the master bedroom), a beautiful French farmhouse dining table, country style kitchen that walks out to your very own herb garden and a cosy sitting room with fireplace. Fitted with modern appliances including a large gas cooktop, BBQ and dishwasher this home has all you need for the perfect escape... escape however, means, escaping the hustle and bustle, disengaging from technology and reconnecting with nature and to those you love.
